HOW TO MAKE YOUR WALLET

This kit includes everything you need to make a functional wallet with max 6 cards. Be careful to match up your left and right pieces (see below)

Scan for more information

Assembly Pieces

1x Back Piece (Fabric) | 1x Inside Back Piece | 2x Card Holder Pieces | 4x Card Flap Pieces | 4x Front Card Holder Pieces

Colours for illustrative purposes only. Your kit may be a different colour to the one shown in this guide.

1 - Stitch card holder pieces

Make sure you have identified the left and right pieces as per guide above. Line the pieces up and begin stitching the bottom of the card flap pieces to the card holder pieces. Repeat the same steps for both left and right card holders.

2 - Stitch the rest!

Line your pieces up and begin stitching. Go through one piece at a time. When you get to the inside of the wallet you will stop stitching the back piece and continue stitching only the remaining pieces that have stiching slots.
